Hosted PBX

All you need is a phone!

Clarotech's cloud-based Hosted PBX takes the hassle out of traditional telephony. No more huge CAPEX layouts and costly on-site PBX maintenance agreements.

Using Clarotech's Hosted PBX, you get all the feature-rich functionality without the clutter and pain of on-site PBX equipment. Plus you get top quality voice calls at a fraction of the cost. And because Clarotech maintains your cloud PBX so that it's always working, you just need to concern yourself with picking up the phone and getting on with business.

✔ **Reduced CAPEX spend**
You only pay for your phones - your cloud PBX Leave the cloud hardware to us.

✔ **No long-term contract**
Your cloud PBX comes with a minimum 6-month contract and runs monthly thereafter.

✔ **Fast setup**
Your cloud PBX can be up and running in a fraction of the time it takes to deploy an on-site PBX.

✔ **Scalable**
Purchase additional handsets without worrying about the ca-pacity of the cloud PBX.

✔ **Top-level location**
Your cloud PBX is located in a stable and secure Tier 3 data centre.

✔ **Redundant connectivity**
Redundant networks in the cloud means you keep talking when a network link fails.

Hassle-free telephony is a PBX in the cloud!
